- Family Fall Picnic – After cancelling this year's picnic and hearing how this event is really overwhelming for our staff with parents coming and going without checking in and out, kids not ending up where they should be we will not be continuing this event. Parents can always come for lunch with their child during their regular lunch time for the same experience as the picnic.
- Family game night – tentatively set for January

Request for Funds See above treasurer's request. Kelly

Principal Report Mr. Wollmuth

The ice cream purchased for the fall family picnic will be given out during upcoming Halloween parties.

Currently at 525 students

We have had a great start to this school year.

The district is having some issues with bussing and getting middle students to school on time.

Talked about the Archer Glen parking lot.

We have a parent who has cleaned up the grounds. We are looking for someone with a connection to the local garden centers to provide donations for the ongoing ability to maintain our garden areas.

Good turn outs for extra classes: 62 enrolled in chess; 56 in choir; 36 in passport club

Adjourn

Attendees: Corrie Angus, Cindy Valladares (thank you for the sandwiches and cookies), and all board members (except Stephanie and Karen)**.**
